

Open_Sailing

Open Day // 13 June 2009 // Area 10 London
<http://www.opensailing.net>

****WHAT****

“Open_Sailing Open Day”

A day devoted to ARS Electronica-winning project Open_Sailing. Currently being developed at the Royal College of Art (and internationally), this open source project challenges the traditional role of the architect and enables anyone to develop a lifestyle at sea. An interesting day with some cutting-edge architectural speakers. Free entry.

****SPECIAL PREVIEW OF PROTOTYPE CRAFT PRIOR TO LAUNCH****

WINNER
ARS Electronica
[next big idea]
